

Curriculum Vitae

Mirieri Titus Morebu

SaaS Developer | Laravel Expert | Business Automation Specialist

Kenya - titocreations.co.ke

titus@titocreations.co.ke | +254 708417074

Professional Summary

Innovative and detail-oriented Laravel developer with a background in Electronic and Computer Engineering and a strong passion for building scalable SaaS solutions. With hands-on experience creating business automation tools for small and large enterprises in Kenya, I specialize in transforming manual workflows into efficient, digital-first systems. As the founder of TitoCreations, I deliver tailored software that enhances productivity, optimizes operations, and drives growth.

Education

BSc. Electronic and Computer Engineering
Jomo Kenyatta University of Agriculture and Technology (JKUAT)
2015 – 2021

Kenya Certificate of Secondary Education (KCSE)
Kisii High School
2011 – 2014

Kenya Certificate of Primary Education (KCPE)
St. Mary's Mosochi
2007 – 2010

Technical Skills

Languages: PHP, JavaScript, HTML, CSS, SQL

Frameworks: Laravel, Vue.js, Bootstrap

Tools: Git, MySQL, REST APIs, Composer, Nginx

Other: SaaS Architecture, Payment Gateway Integration (e.g., Mpesa), Business Automation Systems, CMS Customization (WordPress)

Work Experience

Founder & Lead Developer

TitoCreations — Remote / Kenya

2021 – Present

- Develop custom SaaS applications using Laravel for Kenyan businesses in retail, logistics, education, and service industries
- Built and maintain a multi-tenant platform for SMEs to manage sales, expenses, staff, and customer engagement
- Integrated mobile payment solutions such as M-Pesa API for seamless billing and transactions
- Collaborate with clients to automate business workflows such as appointment bookings, inventory, payroll, and analytics
- Lead branding, UI/UX design, and full-stack implementation of client projects
- Write technical blog articles and guides targeting business owners and startup founders

Freelance Developer (Contract)

Various Local Businesses & Startups

2019 – 2021

- Developed lightweight CMS platforms and business dashboards
- Customized WordPress themes for service providers and small businesses
- Provided technical support and code optimization for existing web applications
- Conducted training on system usage and backend management

Projects Portfolio

- POS System with Mpesa Integration – For retail shops to manage sales, inventory, and payments
 - Salon & Barber Booking App – Appointment scheduling, client history, SMS reminders
 - Waste Collection Management System – Route tracking, automated billing, collection reports
 - Online Education Portal – Video classes, student progress tracking, assignments module
- View more at titocreations.co.ke

Certifications & Achievements

- Laravel Mastery – Advanced Projects & API Integrations
- Digital Skills for Africa (Google) – Fundamentals of Online Business & Marketing
- Led a county-based hackathon project on Local Market Digitization (2020)
